Sir,

ESTABLISHMENT - Temporary - (South Kanara) - Assistant - Tahsildars and Revenue Inspectors - retention -proposals Recommended.

ad - Letter from F.Karamatullah Esquire, I.C.S., Collector of South Kanara,No. Ref. C. 4629-A2-42, dated 3-3-1943.

b: - Establishment - Temporary -Retention for a further period - sanction requested.

f: - (1) -G.O.No. 1463 Revenue Department, dated 24-9-42.
(2) G.O. is., No. 2112 Revenue Department, dated 21-9-42.

In their order first cited above, the Government have sanctioned porarily an Assistant Tahsildar to each of the Taluks of Mangalore, saragod and Puttur in this district for a period of six months and C.O. cited second above,sanction was accorded for the employment for eriod of six months a Lower Division Clerk to do duty as Revenue - pector in Mangalore Town. The period of sanction in both the above cases

cases expires by the middle of April 1943. The subordinate officers concerned report that the services of the above temporary hands cannot, in the interest of efficient administration be dispensed with at present. The work in connection with war, control of prices, etc., has increased when compared with that which existed at the time of the original sanction of the temporary staff. The Tahsildars being more or less exclusively engaged in War Fund Collections, recruitment and other war works cannot manage to attend to routine work, which also cannot be allowed to suffer. I, therefore, agree, with my subordinate officers and recommend that the Board may be pleased to obtain sanction from the Government for the retention of the three Assistant Tahsildars and the one additional Revenue Inspector for a further period of one year or till the end of the War, whichever is earlier.

Submitted to the Government.

2. The Board recommends that the Government may be please to sanction the retention of the 3 Assistant Tahsildars employed Mangalore, Kasaragod and Puttur taluks and the Revenue Inspector employed in Mangalore Town, for a further period of six months from the date of expiry of the present sanction.

2. I may also point out that the Government contemplate giving additional staff of Dy.Tahsildars ~~temat~~ to attend to routine work so that Tahsildars may requisition stocks of rice and paddy (Govt. Memo. 12236 F.43-11 dated 12-8-43 Dev.Dept.) In that case the present Assistant Tahsildars in the three taluks of Mangalore, Kasargod and Puttur will continue as such and the appointment of 3 more hands in the remaining 3 taluks of the district will be necessary.

Board's Refce. No.W. 2742-43 dated 21st June 1943.

I have to admit that the entertainment of the Assistant Tahsildars in the three taluks in this district has not been justified by a noticeable increase in the number of recruits procured by the Tahsildars on account of the relief given to them in routine work. What has been achieved by the Tahsildars since last October in recruitment was mainly due to the relief given to them in routine work by the Assistant Tahsildars. Unusually large war fund collections were made by the Tahsildars on this account. Since about the last one year very heavy work was thrown on the shoulders of the Tahsildars on account of correspondence relating to war subjects, enquiry regarding Burma evacuees enquiry into applications for grant of educational concessions and other kinds of reliefs to dependents of soldiers, food problems such as kerosene control order, sugar control order and of late requisitioning of rice and paddy stocks. All these items of extra work could be discharged by the Tahsildars as they had relief from routine work which was attended to by the Assistant Tahsildars. The Tahsildars had to tour briskly for requisitioning of rice etc. detection of hoards of food stuffs and profiteering cases and had to be absent themselves from their headquarters when the Assistant Tahsildars had to manage urgent and routine work. On these grounds the continuance of the posts of the Asst. Tahsildars is justified.
